

My Maths Revision List

Chapter 1: - N, Z, R . N = Natural numbers (Counting numbers) Z = Integers (Can be negative) R = Real numbers (Can include)

- Plotting Points (across first, then up/down)

- Area and perimeter

- Axis of symmetry (reflections)

Chapter 2: - Venn Diagrams 

- Symbols ($\in, \notin, \#, =, \neq, \cap, \cup, \emptyset, \subseteq$)

Chapter 3: - Line, Line segment, Ray

- Angles

- Constructions (bisect a line, bisect an angle, construct a perpendicular line)

Chapter 4: - **BIMDAS** (Brackets, Indices, Multiplication, Division, Addition and Subtracting)

- Powers

Chapter 5: - Fractions ($+$, $-$, \times , \div)

- Decimals (rounding)

- Percentages

Chapter 6: - Probability (cards)

- Probability scale $(0 \text{ --- } 0.5 \text{ --- } 1)$

Chapter 7: - Linear or Non-Linear

+

-

\times

\div
