Poetic Techniques

Rhyme:

Time and rhyme

Place and space

About and shout

Limericks:

There once was a boy from Dublin
And his name was Billy Hudson
One day he got on a boat
But the boat did not float
And that was the end of Billy Hudson

There once was a girl from Mexico
And she really liked Taco
So once she broke in
Where someone stuffed her in a bin
She was found by someone
Dumping tacos
