Excerpt 5, played three times.

(e) Describe two features of the music played by the piano in this excerpt.

✓ Feature 1: Articulation, it is played staccato meaning all the notes are separated and detached.

X Feature 2: Ornamentation, the melody being played is decorated with smaller notes to make it sound better.

Pedal note Block chords

- You have **five** minutes to answer part (f).
- There is no music on the recording for this question.

(f) (i) Explain the term 'graphic notation'.

You don't need to reference the question.

✓ Answer: Graphic notation is a way of writing music without using traditional means, but instead using a video, a picture or symbols to represent notes and rhythms.

(ii) Describe the impact that technology has on how we access music.

✓ Answer: We can use technology to listen to music and we can use it to make music using notation software, mixers and other tools.

(iii) Describe one way that music can be shared to reach a global audience.

✓ Answer: Music can be shared over the internet through platforms like Spotify, TikTok and YouTube to reach a global audience.
